

The Aquanet Countertop Basin is crafted from high-quality sanitary ceramics, offering both durability and refined style. Despite its thin, elegant edges, it remains strong and reliable. With dimensions of 455mm (L) × 325mm (W) × 135mm (H), it provides comfortable depth to minimize splashing. The AAA-grade, double-glazed enamel coating resists dirt and ensures easy cleaning, while the no-overflow design enhances its modern, minimalist aesthetic — perfect for contemporary bathrooms.
